

Technical Rider

SIMON A TOUJOURS AIMÉ DANSER

by Simon Boulerice
A Théâtre la Seizième production

IMPORTANT

This technical rider is an integral part of the contract signed between your school/association and Théâtre la Seizième.
All the following clauses should be respected in order to ensure the quality of the performance.

Audience targeted: Grade 7 to 12

Length of performance: 60 minutes + 10 minutes Q&A session

Ideal space for the performance: Gymnasium, auditorium or theatre which meets the technical requirements described in this document

Crew: 1 actor, 1 stage manager and 1 technician

Our crew will bring all the equipment required for the performance: sound, video and lighting included

Performance space: 25 feet (7.6m) Wide
20 feet (6.1m) Deep
10 feet (3.5m) High

Maximum audience capacity recommended: 350

Load-in and set-up time: Approximately 1 hour

Strike and load-out time: Approximately 1 hour

Extras required: 1 table, 2 chairs, and easy access to power (2 circuits). We need to be able to shut off the lights in the performance room. This show uses theatrical lighting and video projection.

We need 4 people (students or staff) to help our crew during the load-in and the take down.

Thank you for your cooperation, and enjoy the show!
