

**SANITARY PROTOCOL**  
*LA VOYAGEUSE*

*A creation by Théâtre des Confettis  
Presented by Théâtre la Seizième*

This audio creation was developed specifically to comply with current health standard and ensure the safest experience for students and teachers. We have developed procedures to be followed to avoid the risk of contamination during the delivery and exchange of equipment. Thank you for helping us follow the established procedures.

## **THÉÂTRE LA SEIZIÈME REPRESENTATIVE**

- Must remain outside of school at all times;
- Wear a mask when interacting with school staff;
- Ensure they have all the sanitary equipment available;
- Fill in a health declaration before delivering or picking up the suitcase;
- Sanitize the suitcase handle and dolly at the following times:
  - on arrival and exit from the airport;
  - before handing it over to the person in charge of your school;
  - when collecting the suitcase at the end of the audio experiences;
- Sanitize the inside of the suitcase during transfers between schools;

## **PERSON AT YOUR SCHOOL IN CHARGE OF RECEIPT AND RETURN**

- Sanitize the suitcase handles and dolly before giving it to the teacher in class;
- Wear a mask when meeting with the representative of Théâtre La Seizième during the suitcase delivery;

## **TEACHERS**

Following the audio experience, teachers must sanitize the equipment as indicated:

### **Inside the suitcase:**

- The four speakers
- The activity summary
- The 2 USB stick
- Cables
- The MP3 player

### **Outside the suitcase:**

- Keep the cleaning wipes outside the suitcase
- Sanitize handle of the suitcase
- Sanitize the dolly

## **STUDENTS**

To minimize risk of contamination, we strongly recommend students do not touch the equipment.
